

PE kit

Children must have a separate change of clothes for PE. Your child will be taught PE on Mondays and Wednesdays. However we recommend that PE kits are kept at school to allow for timetable changes at short notice.

As you can appreciate most uniforms will be very similar to those of other children. We would therefore ask that all items being brought into school be clearly marked.

Jewellery

While not recommended, watches and small stud earrings may be worn for school. However, the wearing of all other jewellery (rings, bracelets, necklaces etc.) is not allowed in school as it is easily broken or lost and can become a hazard.

All jewellery **must** be removed for PE. Staff are not permitted to remove earrings, so the child must be able to remove and replace their own earrings.

Children are responsible for their own earrings, especially when they are not being worn.

Personal belongings

Valuable items, toys or games and large amounts of money should not be brought to school unless prior arrangements have been made. The school cannot accept responsibility for lost, missing or damaged items.

Parent Meetings

Parent meetings will take place in November, however if you have any concerns or would like to discuss anything please do not hesitate to contact us:

Leadership Team

Executive Headteacher : Mrs Helliwell

Head of school: Mrs Hill

Deputy Head of School: Mr Bennett

Year 5 team

Turtle: Mrs Ramsden/Mrs Weatherall

Dolphin: Miss Guest

A guide to Year 5

Taking an active role in your child's learning is one of the best ways you can help your child do better in school and in life. The interest that families show in their child's schooling can have a powerful influence on their success.

We hope that you will support us as a Year 5 team, in supporting your child during this year.

The Year 5 curriculum

Each half term we explore a different theme with links running through all subjects including English, Maths, Science and ICT.

Y4 projects for the Autumn term include:

World War 1 and World War 2

Curriculum

Maths - In maths the children will be learning about: fractions, angles, perpendicular and parallel lines, squares and rectangles, decimals, time, area and perimeter; and symmetry and tessellation.

English - The children will be learning to write a warning story, a balanced discussion, instructions, poetry, journey story and persuasive letter. We will also be integrating Spelling, Punctuation and Grammar into the English lessons. The children will practice their new spellings each week using their zappers.

Science - The children will be learning and pushing and pulling as they discover more about forces.

Computing - E-Safety, Microsoft Office, and coding using Scratch.

PE - This term the children will be learning netball skills, at the end of the term there will be an opportunity to take part in a class tournament.

Art/design projects - The children will be making and designing poppies, silhouettes and designing paper planes.

Attendance and punctuality

Attendance and Punctuality are linked to how well your child achieves. Those pupils who arrive in school on time, and whose attendance is good, perform significantly better than those who miss periods of school or are regularly late. Our school attendance target is 96.5%

Behaviour

Each Y5 class has produced a Class charter, which outline the rules that children are expected to follow. Your child will receive smileys for when they work hard in lessons and follow the school rules.

This term our school values are: friendship, trustworthiness, fairness and happiness.

Extra Activities

Thursday 21st September - a World War 2 parents art workshop with the children - 9am (please ask your child's class teacher if you would like more details).
